Use CareerZone or JobZone to Match Your Career Interests to Occupations

CareerZone and JobZone allow you to match your interests to occupations online. Follow the directions below for more information.

If you are using CareerZone:
- Log into your CareerZone Portfolio Account
- Select Module 2 “Interest Profiler.”
- Then select Step 1 “Start a New Interest Profiler.”
- Answer the questions about your interests. You will answer whether you Like, are not sure how you feel about something, or if you Dislike something.
- Hit next at the bottom of the page when you are done. There are 180 questions.
- REMEMBER-Answer the interest profiler based on what you are interested in—not what you may be good at!

If you are using JobZone:
- Log into your JobZone Account
- Select “Career Interests” under Self-Exploration
- Then select Step 1 “Start a New Interest Profiler.”
- Answer the questions about your interests. You will answer whether you Like, are not sure how you feel about something, or if you Dislike something.
- Hit next at the bottom of the page when you are done. There are 180 questions.
- REMEMBER-Answer the interest profiler based on what you are interested in—not what you may be good at!
Match Your Interests to Occupations Part 4

Below are the results of the Interest Profiler in CareerZone or JobZone. These occupation results are divided into the Job Zone levels that are described on page 23. Remember—these are occupations based on your interests.
